

GRE families,

This year we will be offering our hot lunch through **Lunch Queens** with a portion of their proceeds coming back to our school. **All ordering and payment will be done through their website.**

In order to keep the Fun Lunch program in alignment with our COVID safety protocols the following procedures will be in place:

1. A limited number of volunteers will be allowed in to help hand out the meals, so that physical distancing can be achieved. **For the first few weeks one of our CEA's who is also a PAC member is volunteering her lunch time to help hand out meals.**
2. Minimized handling of food as **GRE Fun Lunch will be through Lunch Queens, and will all be individually packaged.**
3. Delivery and/or pick-up of food should be contact free, as the **GRE food will be dropped off at the front door.**

Each week, the food options will change based on the theme that week (pasta, Mexican, wraps, etc). This week, for example, is pasta. The weekly themed items will be loaded on their website Thursday mornings for the following Thursday.

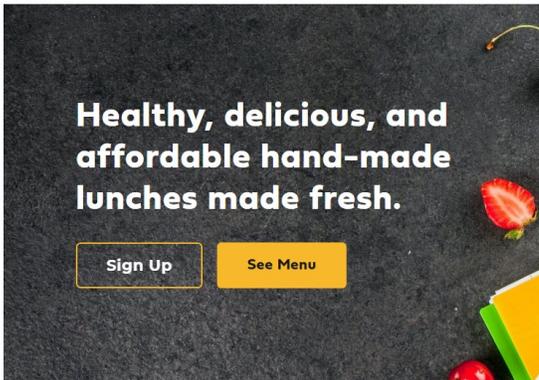

Ordering is available from when the new items are posted (on Thursdays) until Monday, so you will need to have your orders placed by Monday for that week's hot lunch.

Please note: for this week only, as the menu is being rolled out late, Lunch Queens will be accepting orders until Wednesday.

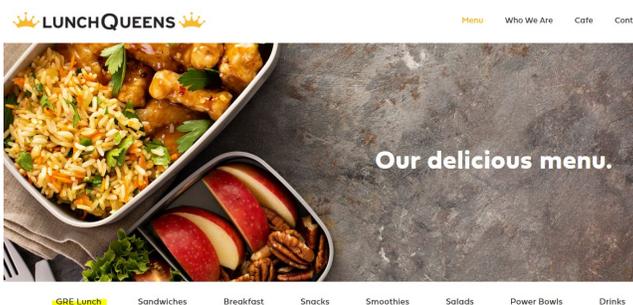

How to order: visit their website at <https://lunchqueens.com/>

Click on the yellow "See Menu" button as shown below:

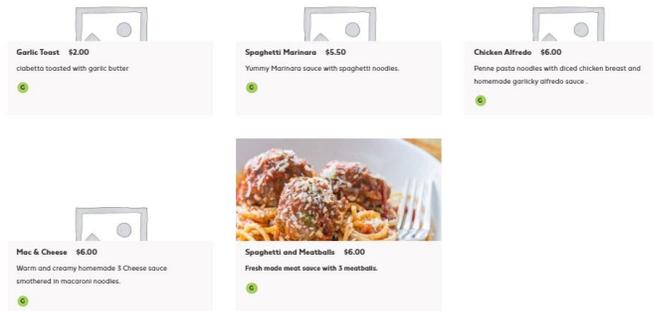

👑 LUNCHQUEENS 👑

Click on GRE Lunch (hi-lighted below):

An assortment of available meals will be available for you to choose. Add your meal to your cart.

Check out.

Important: until their website is updated with a specific place to add your child's name and class, please remember to add your student's name and teacher under the "additional information – order notes" section so we know who to deliver the meal to.

Thank you for supporting our school!
